If a false start is detected, the judges will not stop the skippers but a 5-point deduction from the skipper’s raw score (capable in both speed events and compulsory freestyle).
- If the judge mentions “TIME OUT”, it represents rules violation. Score will not be counted until correcting the violation condition.

Starting

Events begin with the words, “Judges ready? Skippers ready? Set” followed by a short BEEP / You may begin. If there is false start, competition keeps continue.

Finishing
